MEMORANDUM FOR THE RECORD

SUBJECT: METO Council Meeting, Baghdad, April 1956

1. I called on Mr. Dixon of State on the morning of 4 April 1956, at his request. Mr. Dixon stated that Mr. Loy Henderson would be departing Washington 11 April 1956 in order to attend the METO Council Meeting in Baghdad, as the official U. S. observer. As a part of Mr. Henderson's briefing, Mr. Dixon requested that CIA prepare two papers, as follows:

IV. 6. Summary of Proceedings of Liaison Committee.

7. Summary of Proceedings of Counter-Subversion Committee.

2. I indicated that draft papers would be delivered to him by the close of business, 5 April 1956.

3. In response to my query, Mr. Dixon stated that the working level at State were in favor of increased U. S. support to the Baghdad Pact, but that as yet there had not been any firm policy set forth in that regard.
